# "I'm sorry, Doctor! You're not going to be able to continue your practice."

Have you ever stopped to consider the effect on yourself and your family if this were ever to happen to you? Even when you are covered with insurance for the medical and hospital bills, the expenses of day-to-day living can quickly use up the money it has taken you years of work to accumulate.

Now, a Disability Income Protection Plan, especially designed for younger doctors, is available for members of the North Carolina Medical Society.

This plan can help see to it that your family's future will be protected if

you should become sick or hurt and unable to work. Depending upon the

plan you select and qualify for, benefits are available from \$600 to \$1,200 a month. These benefits are tax free. You use them as you see fit. In addition, benefits are payable whether you are confined to the hospital or are at home recovering.

If you are under 55 years of age, you are eligible to apply for this insurance. For more information regarding this plan, just contact the local

Mutual of Omaha representative in your area. There is no obligation.

# Committee and Commission Appointments 1973-1974

NOTE: The Committees listed herein have been authorized by President George G. Gilbert, M.D., and/or as required under the *Constitution and Bylaws*.

Particular note should be taken of the authorization of the HOUSE OF DELEGATES of a Commission form of organizational activity and that all Committees, excepting *COMMITTEE ON NOMINATIONS AND MEDIATION COMMITTEE* are segregated under the respective Commission in which the function of the Committee logically rests. This will tend to eliminate overlapping and duplication in activity programs and result in coordination of the work of the Society in a manner to lessen the work of the delegates in the Annual Meeting of the HOUSE OF DELEGATES.

The President, Secretary and Executive Director of the Society are ex officio members of all Committees and, along with the Commission Chairman, should receive notice of meetings, agenda and minutes of committee meetings during the activity year.

(Superior figures (e.g. 21) indicate the component County Society from which the member emanates, as in the Membership list of the *ROSTER*.)

## Fifty Year Club

The House of Delegates of the North Carolina Medical Society in May of 1953, authorized the Executive Council of the Society to establish a special recognition for those physicians residing in the State of North Carolina who were members currently of the State Medical Society, who had established legal practice of medicine and who had actively practiced medicine during their life time for a period of fifty years.

Listed below in alphabetical order are the names and addresses of those physicians who resided in North Carolina and whom the North Carolina Medical Society has recognized as members of the FIFTY YEAR CLUB of the State Medical Society. This list will be added to from year to year and likewise subtracted from as losses to this club group are sustained and reckoned.

This listing for 1973 only may include Fifty Year Club members who have passed away since their recognition. The list for other years will include only those members surviving.
